A top-down view of various gardening supplies arranged on a white wooden plank surface. In the top left, a green plastic scoop is filled with dark soil. To its right are several yellow daisy-like flowers and a bunch of purple flowers. In the center, a pair of green gardening gloves is laid out. Below the gloves is a silver metal watering can with a perforated nozzle. To the left of the watering can is a green plastic garden fork. In the bottom left, there are several potted plants, including pink and purple carnations. In the bottom center, two wooden plant markers are visible. The text 'JIFN-TECH Gardening' is overlaid in the center in a green, stylized font.
